Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. Darcell Walker, Reg. No. 34945

STATEMENT OF UNINTENTIONAL ABANDONMENT

Dear Sir:

This statement is to explain the delays, which has caused this application to be abandoned. The application was abandoned for failure to file corrected drawings. I, the attorney of record, had formal drawings prepared in this case. I sent the drawings to the client. In our arrangement, I prepare the applications and send them to the client for filing. In this case, I sent the formal drawings to the client for them to file. In addition, during the prosecution of this application an examiner's amendment was entered to make the application allowable. However, I did not initially receive the Notice of Allowance from the examiner. Only after I contacted the examiner, about a month after the Notice of Allowance was sent, did the examiner fax to me a copy of the Notice of Allowance. Because of the shorten period to respond, I immediately forwarded the information to the client for them to pay the issue fee. I failed to notice the requirement to amend the drawings. The corrected drawings are enclosed with this petition.

Respectfully submitted,

Darcell Walker
